

the master's plan of evangelism

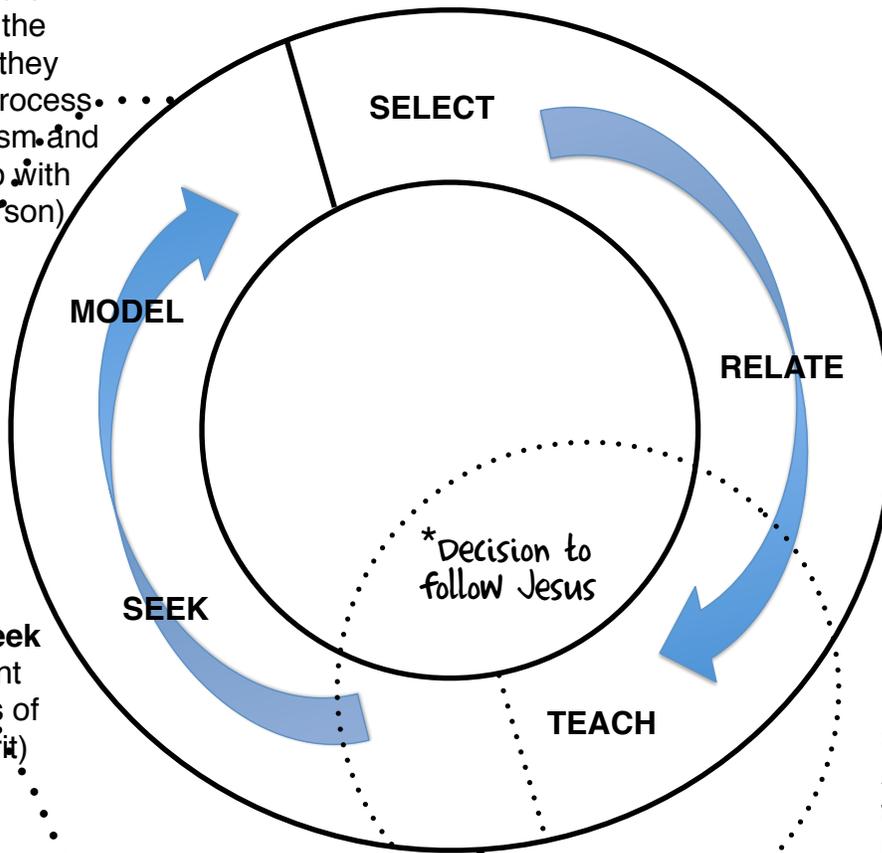

(Pick 1 or 2 people to invest in "as you are going" - Matt 28:18; Lk 6:12-16)

(Demonstrate, Delegate, and Supervise the disciple as they begin the process of evangelism and discipleship with another person)

(Have a genuine **AND** intentional relationship. In evangelism, this is a very lengthy part of the process - it could take months and/or years of intentional friendship and spiritual conversations before someone is ready to make a decision)

(Together, seek empowerment and the fruits of the Holy Spirit) Acts 1:8

(Teach them the Gospel. After a decision, teach them to obey Jesus and his Word. This process obviously continues throughout the other stages of disciple-making - Matt 28:20)

REPRODUCE

*An intentional friendship will include teaching them about the Gospel and what it looks like to follow Jesus. A decision to follow Jesus is often more of a process than a point in time, as the dotted line suggests.
